

Figure 1 is a schematic diagram of a multi-panel display or document layout. The layout is divided into four quadrants by a central vertical dashed line and two horizontal dashed lines. The top-left quadrant is labeled 'R' and 'C' with an arrow pointing to a specific element. The top-right quadrant is labeled '1' and '4'. The bottom-right quadrant is labeled '2', '3', '4', and '5'. The layout consists of various rectangular blocks, some solid and some dashed, arranged in a grid-like fashion.

The image is a dark, high-contrast, grainy scan of a document page. It features prominent vertical streaks and significant noise, suggesting a poor quality scan or a heavily degraded document. The overall appearance is black and white with a high level of contrast and a grainy texture.
